### Membership Renewals, a Reminder

Members, please take a look at your address label on this issue's envelope. Your initial date is posted on it. If you have renewed your membership, the date will have an additional bit of information showing the extension.

If you have not already sent in your annual dues, please send them in soon. We need the funds to pay for our operating expenses, office supplies, printing the newsletter and postage. We want to keep sending you your quarterly newsletters.

### Volunteers Wanted

We need some help with staffing, reporting, editorials, photography, your personal letters, biographies, meet and rally articles, information about up and coming events! Everything you contribute will be shared with your fellow members. Your interest and help are what keeps us going and growing.

Don't be shy! We all need you!

### New Director
