Your Letters:Â

Richard,Â Â Â Â Â Â Â Â Â Â Â

My check is going out in today's mail; I am looking forward to catching up on some reading.

On another note, I am a member of the 5 United Motorcycle Club, which is comprised of BMW /5 owners and currently has over 1100 members. If you are not familiar with us you can find our website and a link to our yahoo groups page at [www.5united.net](http://www.5united.net).Â Â

This year we currently have four small Rally's organized that we call Festival of Fives (our webpage is currently being updated with this information). They are generally small informal gatherings with the exception of the Festival in Kentucky which is the only one that has a fee, dinner, awards and door prizes. This year will be our 9th Festival in Seneca Rocks, WV, our 4th Festival in Kentucky and our first Festivals in Kerrville, TX and Suchas, GA. I would like to get our Festivals listed in the VMCA and also think it might be a good opportunity for the VMCA members to meet and gather at our Festivals.Â Â Â Â Â Â Â Â Â Â Â

Our festivals have ranged in size from as small as 10 riders and as large as 75 riders. I am the organizer of the Kentucky Festival and have grown it into more of a Rally and last year I allowed the Airheads to co-sponsor the Festival and Allan Atherton from the VBMWMO to set-up a table to display the VBMWMO activities and try to gain some new members.Â Â Â Â Â Â Â Â Â Â Â

As the organizer of the Kentucky Festival of Fives, I would like to invite the VMCA to participate in our Rally this June 3-5 in Frankfort, KY and to try to attend our 3 other Festivals. I think with our relative small sizes the VMCA members would feel right at home and would not have any problems in locating each other as often happens at larger Rallies. Let me know if you think this would be of interest to the club's members and if it will be possible to have our Festivals posted in the VMCA newsletter. If you are able to post us in the newsletter let me know and I will email you the dates and locations for each of the regional Festival of Fives. Also, I made a note on my Membership Registration that I would be willing to donate my time to possibly fulfill any vacant offices in the VMCA if you are still in need of some help. I will look forward to hearing back from you and sorry for such a long message, Sincerely,Kelly RamseyÂ

Kelly added this with his membership information:Â â€”I would also be willing to donate my time to fulfill an office. I organize a rally in Kentucky every spring and would like to invite to club to join us this June 3-5 in Frankfort. Flyer forthcomingâ€™.â€™
